

Waiver

You as parents are responsible for your child (children). Should you choose to leave your child at the field during practice and or games you as a parent are responsible for your child, not the coach.

Should you need to leave your child during a game or practice try to designate a parent at the field to watch your child. If you are unable to return to the field in time please make arrangements to ensure your child will either have a ride or the parent you designated to watch your child will stay with them until you return.

Coaches will not be held responsible should something happen while you are away. Coaches are not to provide rides home for players unless you have given them permission to do so and a person on the board is made aware of the arrangements.

The Willowick Soccer League will not be responsible if you have given permission to a coach or designated adult to care from your child while you are away from them. If you choose to have your child ride with a coach or other parent that you designate you as a parent take responsibility for your child and the actions you chose to take due to your absence.

Willowick Soccer is here to provide the best possible experience for your child. We are dedicated to ensuring that your child learns the basic fundamentals of soccer. We are dedicated to do our best to ensure that your child has the best possible experience while playing soccer. We are dedicated to the safety of the children of the league.

Please sign this form to indicate that you as a parent understand that you are the caretaker of your child and that any decision you make to leave your child with another parent or coach is completely up to you, but the league is not able to accept the responsibility of your child if an accident were to occur while you are away.

Thank you,

The Willowick Soccer Board
